While this Statement is being filed in compliance with the duty of disclosure, citation of the listed references is not to be construed as an admission that any of the references are "material" as defined under 37 C.F.R. § 1.56(b).

Each item of information contained in this Statement (i) was not cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in this Statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of this Statement, or (ii) was first cited in any communication from a foreign patent office in a counterpart foreign application (copy of communication enclosed) not more than three months prior to the filing of this Statement.

The fee of \$180 pursuant to the provisions of 37 C.F.R. § 1.17(p) is being paid concurrently with the filing of this Information Disclosure Statement. Please charge any additional fee or credit any overpayment in connection with this filing to the Deposit Account No. of Ford Global Technologies, Inc., No. 06-1510.

No copies of the listed U.S. patent references or the listed U.S. patent application publication references have been included herewith pursuant to 37 C.F.R. § 1.98(a)(2). All other references have been provided as required. Consideration and entry into the record of the listed references is respectfully requested.

Respectfully submitted,
